Dear Neighbors and Friends,

For the past 15 years our family had been hosting a fall neighborhood party for a charitable organization. Over the years we have sent thousands of dollars to the local Food Bank, the Cystic Fibrosis Foundation, and to a well-building project in Kenya. This year we would like to raise funds to contribute to the work being done by the Pennsbury Arts Foundation. ***Please help spread the word! Review the emails included above and forward this to any neighbors who are not on the list. Also send us their emails to me so we can send a reminder in August.*** Have a great rest of the summer. RSVP to [kachandler@comcast.net](mailto:kachandler@comcast.net) by September 1<sup>st</sup>.

Thanks, hope to see you here,  
Kim, Wayne, Jake and Chandler
